

THE CITY OF RIPON

# ANNUAL PARISH MEETING

**Monday 30th May 2022 at 6:30pm**  
**Council Chamber, Town Hall**

The Annual Parish Meeting, which is required to be held between March and June, offers a great opportunity for everyone to discuss issues of interest to the electors of Ripon City Parish.

The meeting is **not** a meeting of Ripon City Council, it is a meeting of people and organisations within the Ripon City Parish.

Participation is invited from organisations within the City, these organisations attend to give a short report on their organisation.

After that the meeting is opened up to electors of the parish, this is **your** opportunity to raise issues, have your say and find out what is happening within the City.

Please come along and participate.

Please contact the Council on 01765 604097 should you have any queries.
