Hi

Thanks for getting in touch, we will make the events committee aware of your offer and come back to you, your choir sounds great!

We do have events other than lights switch on during the year so please let us know if you would consider singing at anything else.

Dear

Thank you for your email and for reaching out - its great to make contact.

Ripon City Council organises the Christmas Light Switch On event in Ripon, so I have copied them in to this email. The BID does organise other events throughout the year though so it would be well worth me knowing some of your availability to see if we can match something up.

With best wishes

Hello,

I sing as part of a choir based in Harrogate, Baildon, Bingley and Skipton called All together now, we are always looking for new places to come and perform. We are a community choir rather than a church choir and cover 1960's onwards from a variety of artists. We sometimes have well over 100 of us performing and other times 30-40 of us. We've sung all over from Ripon cathedral to piece Hall in Halifax and St George's Hall in Bradford and lots of local smaller venues and charity events.

Would we be able to join you next year at your Christmas light switch on In Ripon and perform some of our Christmas songs?

Many thanks for your time,
